

**RESOLUTION #2012-17**

**PWP #2012-15**

**BEFORE THE BOARD OF COUNTY COMMISSIONERS OF COLUMBIA COUNTY**

In The Matter Of a Project to Make Improvements at the Columbia County Transfer Station

**WHEREAS** the Board of County Commissioners desires to make improvements at the Columbia County Transfer Station to aid in the final implementation of improvements for solid waste collection and transportation; and

**WHEREAS** the project is listed in the 2012 – 2017 Capital Improvement Program; and,

**WHEREAS** the Board of County Commissioners has authorized the County Engineer to apply for construction funding of the project through the Public Works Trust Fund; and,

**IT IS HEREBY RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS** that the County Engineer is authorized to make improvements at the Transfer Station by hiring an architectural or engineering firm to design the project and to utilize County forces or solicit bids and award a contract for the following; and,

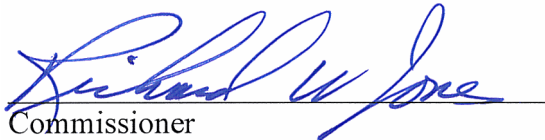

Extend the existing building to facilitate a larger opening for refuse trailers, install or relocate new or existing scales for weighing customers and refuse trailers, and other modifications as may be required. The estimated cost of the project is \$350,000.

**BE IT FURTHER RESOLVED** that the design of the project shall be funded by Fund #501 – Equipment Rental and Revolving. Construction shall be funded by outside grants or other financial instrument as approved by the Board of County Commissioners.

Dated this 2<sup>nd</sup> day of May, 2012.
