

RESOLUTION

BEFORE THE BOARD OF COMMISSIONERS OF COLUMBIA COUNTY, WASHINGTON

74-17

WHEREAS, Columbia County has received mandates from State and Federal Governments for implementation of various programs, such as zoning, shorelines management, subdivision ordinances, environmental impact statements and other similar programs, and;

WHEREAS the burden of administering above mentioned programs has become impossible to manage with existing staff and volunteer citizenry;

THEREFORE BE IT RESOLVED that in accordance with RCW 36.70.040, a Columbia County Planning Department is hereby established with a Planning Director as provided under above mentioned statute, to implement the above mentioned programs.
