

RESOLUTION #2019-34

BEFORE THE BOARD OF COLUMBIA COUNTY COMMISSIONERS

In the Matter of Establishing a County Wide Flood Control Zone District for Columbia County In Accordance with the Terms, Conditions, and Requirements of Chapter 86.15 of the Revised Code of Washington

WHEREAS, on the 4th day of February 2019, in a regular session, the Board of County Commissioners (the "Board") unanimously passed Resolution No. 2019-05 initiating the creation of a proposed county-wide Flood Control Zone District in accordance with 86.15 RCW, et seq., and amendments, changes, alterations, and additions thereto; and

WHEREAS, notice of public hearing of the intent of the Board to establish a Columbia County Flood Control Zone District was given, made, and published as provided by law and such hearing on the establishment of said Flood Control Zone District was held on June 17, 2019 in Dayton, WA; and

WHEREAS, the Board finds that there is a public necessity for the establishment of the Columbia County Flood Control Zone District and that it is in the best interest of the County and for the general public health, safety, benefit, welfare and economic development and use.

IT IS HEREBY RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS that they establish a county-wide flood control zone district which shall be designated Columbia County Flood Control Zone District, which shall have all the powers, authorities, and duties provided in RCW 86.15, et seq., and any and all amendments, changes or alterations thereto or laws pertaining to such, and including provisions as herein provided.

IT IS HEREBY FURTHER RESOLVED that the boundaries of said district are hereby established and declared to be described in RCW 36.04.070, to wit:

- Commencing at a point in the middle of the channel of Snake river, where the range line between ranges thirty-six and thirty-seven east of the Willamette Meridian intersects said point; thence south on said range line to the northwest corner of township nine north, range thirty-seven east; thence east on the north boundary line of township nine north, range thirty-seven east, to the northeast corner of said township; thence south on the line between ranges thirty-seven and thirty-eight east of the Willamette Meridian, to the northwest corner of township eight north, range thirty-eight east; thence along the north boundary line of township eight north, range thirty-eight east, to the northeast corner of

said township; thence due south to the line dividing the state of Washington from the state of Oregon; thence due east on said dividing line to the range line between ranges forty-one and forty-two east; thence north on said range line to the corner of sections thirteen, eighteen, nineteen and twenty-four, township ten north, ranges forty-one and forty-two east; thence west three miles; thence north three miles; thence west one mile; thence north one mile; thence west one mile; thence north three miles; thence west one mile; thence north to the southwest corner of township twelve north, range forty-one east; thence west on township line six miles; thence north on range line between ranges thirty-nine and forty to a point in the mid-channel of Snake river; thence down the mid-channel of said river to the place of beginning. Containing all properties located within Columbia County.

IT IS HEREBY FURTHER RESOLVED that the area described herein as such zone boundaries incorporate any and all watersheds located in said described boundaries, and;

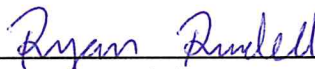

IT IS HEREBY FURTHER RESOLVED that the governing body shall be the Board of County Commissioners as the Columbia County Flood Control Zone District Supervisors and the administration of affairs of the zone district shall be under the office of the Columbia County Engineer. That shall have all the powers allowed by law.

PASSED AND ADOPTED by the Columbia County Board of Commissioners, State of Washington, this 17TH day of June, 2019.
